BEVERAGE SERVICE POLICIES

- HaT Beverage Service is for client provided/hosted alcohol only. We cannot serve a cash/ticketed bar.
- HaT cannot serve underage guests, and will stop all alcohol service if underage guests are found drinking at the event.
- HaT cannot serve visibly intoxicated guests, and may refuse service to guests and/or stop all alcohol service if multiple guests are refused service.
- Sorry, no shots – for alcohol service liability reasons, HaT cannot serve shots.
- Please, do not purchase 1.75L “handles” of liquor – these are cumbersome for bartenders, slow down bar service, and don’t work with standard pour spouts.
- Please, do not provide kegs – these are cumbersome for bartenders, slow down bar service, and require materials (tap, bucket, and extra ice) that HaT does not provide.
